By accepting scholarship funding the student agrees to successfully complete all courses for which funding is provided. Successful completion is defined by earning a minimum "C" grade for each course funded by PHF, and/or the successful completion of vocational/certificate programs.

Failure to meet this obligation can place the recipient's scholarship on hold.

***It is up to the student to promptly notify the PHF office should the above completion requirements not be met. Failure to do so could lead to severe delays in the student's scholarship award process, and/or their award may be forfeited for the term.**

I have read and understand the above "Statement of Correctness, Understanding and Authorization" and, if approved, I agree to abide by the terms and conditions of the scholarship. I understand I will not receive funding if the application packet is not received in full before the program begins.
